

STAG INDUSTRIAL RECEIVES INVESTMENT GRADE RATING FROM MOODY'S INVESTOR SERVICES

Boston, MA – December 19, 2018 - [STAG Industrial, Inc.](#) (the "Company") (NYSE: STAG) today announced it had received an investment grade rating from Moody's Investor Services ("Moody's"). Moody's has assigned a rating of Baa3 to STAG Industrial Operating Partnership, L.P.'s \$150 million senior unsecured term loan due in 2021 with a stable outlook. The Company also maintains an investment grade rating of BBB with a stable outlook from Fitch Ratings.

"This second investment grade rating allows the Company to benefit from approximately \$2 million in annual interest expense savings on our outstanding term loans and revolving credit facility as they are repriced per our loan agreements," said Bill Crooker, Chief Financial Officer of the Company. "This result provides confirmation of the STAG's conservative balance sheet strategy and the strength of the portfolio."

A copy of Moody's published rating is available at www.moodys.com.

Forward-Looking Statements

This press release, together with other statements and information publicly disseminated by the Company, contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The Company intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and includes this statement for purposes of complying with these safe harbor provisions. Forward-looking statements, which are based on certain assumptions and describe the Company's future plans, strategies and expectations, are generally identifiable by use of the words "believe," "will," "expect," "intend," "anticipate," "estimate," "should," "project" or similar expressions. You should not rely on forward-looking statements since they involve known and unknown risks, uncertainties and other factors that are, in some cases, beyond the Company's control and which could materially affect actual results, performances or achievements. Factors that may cause actual results to differ materially from current expectations include, but are not limited to, the risk factors discussed in the Company's annual report on Form 10-K for the year ended December 31, 2017 as updated by the Company's quarterly reports on Form 10-Q. Accordingly, there is no assurance that the Company's expectations will be realized. Except as otherwise required by the federal securities laws, the Company disclaims any obligation or undertaking to publicly release any updates or revisions to any forward-looking statement contained herein (or

elsewhere) to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.
